

## **Denver Children's Advocacy Center (DCAC) Privacy Policy**

### **Denver Children's Advocacy Center's Online Security**

Denver Children's Advocacy Center (DCAC) only collects such personal information as is voluntarily submitted by donors. Physical, electronic and managerial procedures have been implemented to safeguard the security and integrity of that information.

Our site contains links to outside Web sites that have their own privacy policies. DCAC is not responsible for the privacy practices of those organizations.

### **Personal Information Sharing**

We do not disclose, sell or rent our donor information in any form to outside organizations, although we do customarily list donors by name and donation level in our annual report. Donors may remain anonymous or opt out of having their names listed in our annual report.

### **Accuracy of Personal Information**

Any donor may review and update their information by contacting [info@denvercac.org](mailto:info@denvercac.org).

### **Personal Information that DCAC May Collect Online**

DCAC accepts online donations and collects billing information associated with such donations. DCAC does not collect any other personal information online and asks that you email [info@denvercac.org](mailto:info@denvercac.org) with any communication.

### **How DCAC Uses Information Collected Online**

Unless you otherwise consent, we will use your personal information only for the purpose for which it is submitted, such as to reply to your emails, handle your complaints, and process billing. At any time you can add or remove your name from a DCAC list by contacting us at [info@denvercac.org](mailto:info@denvercac.org).

### **Computer Tracking and Cookies**

Our web site does not track, collect or distribute personal information not entered by visitors. Our site logs do generate certain kinds of non-identifying site usage data, such as the number of hits and visits to our site. This information is used for internal purposes by technical support staff to provide better services to the public and may also be provided to others, but again, the statistics contain no personal information and cannot be used to gather such information.

### **Problems or Complaints with DCAC Privacy Policy**

If you have a complaint about DCAC compliance with this privacy policy, you may contact us at [info@denvercac.org](mailto:info@denvercac.org).
