Sponsorship Opportunities

April 2025

At Denver Children's Advocacy Center (DCAC), we believe that every child deserves to grow up in a safe, supportive environment where they feel belonging and hope. Yet, thousands of Colorado children experience abuse every year. DCAC is working to change this. We prevent child abuse, strengthen families, advocate for children who have suffered abuse, and work tirelessly to ensure all children have the childhood they deserve—one filled with optimism, joy, and happiness. Our [Hope Starts Here](#) campaign raises awareness about child abuse, provides education about how to prevent child abuse and inspires others to show up for children who need us. But we can't start hope here without you. We need your support this April and always.

Join the fight against child abuse.

Fundraise along with the DCAC staff, Board of Directors, and other supporters like YOU!

- » Visit our [Hope Starts Here](#) page and register today!
- » Personalize your fundraising page. We provide you with all the tools you need to create the page and share it with your friends, family, and co-workers.
- » Create teams with friends, family, and coworkers and raise even more for DCAC.

In addition to helping fight child abuse, you can earn a ticket to our Swing for Hope celebration on May 8th at Topgolf. Swing for Hope features an award ceremony, happy hour drinks, two hours of Topgolf play, and a delicious catered buffet dinner.

- Raise \$500 for a ticket to Swing for Hope.
- Raise \$1,000 and receive limited edition DCAC Art Coasters.
- Raise \$4,000 and receive 6 tickets to Swing for Hope.

Denver Safe from the Start is a bilingual, school-centered prevention program for children ages three to ten. It is based on the premise that strengthening families helps protect children from abuse and ensure their healthy development. The program works to increase the safety and well-being of children by teaching educators about child abuse prevention. It helps families access resources, providing child development education for parents together with access to critical resources to strengthen families, and teaching young children basic self-protective and healthy living skills. You will have the opportunity to provide one or two schools with Denver Safe from the Start programming. The program will be taught in early childhood classrooms through fifth grade on a weekly basis for six weeks.

Forensic Interviews are of vital importance in the investigation and prosecution of sexual assault and other crimes against children. DCAC's highly qualified forensic interviewers conduct neutral, fact-finding interviews in a welcoming, child-friendly facility. DCAC is a member of the child-focused multidisciplinary team of first responders to reports of child abuse in the Denver metro area. The multidisciplinary approach draws on all of the agencies' collective wisdom and expertise to maximize outcomes for children and their families during the investigative process. In 2024 DCAC conducted 923 forensic interviews; the average cost of victim advocacy and one interview is \$750. This sponsorship opportunity allows you to fund this vital program throughout the year.
