

## DENVER SAFE FROM THE START

**Denver Safe from the Start** is a bilingual, school-centered prevention program for children ages three to ten. It is based on the premise that strengthening families helps protect children from abuse and ensure their healthy development. The program works to increase the safety and well-being of children by teaching educators about child abuse prevention. It helps families access resources, providing child development education for parents together with access to critical resources to strengthen families, and teaching young children basic self-protective and healthy living skills. You will have the opportunity to provide one or two schools with Denver Safe from the Start programming. The program will be taught in early childhood classrooms through fifth grade on a weekly basis for six weeks.
