Thank You, Colorado Gives Day Donors!

Thank you so much to everyone who made our Colorado Gives Day such a tremendous success! With your help, we were able to raise over \$40,000 for DCAC's programs. Your kindness and generosity will help us give every child the bright future that they deserve.

Thank you for being champions for the children in our community!

## Teen Gifts Needed for Holiday Gift Drive

Every year, DCAC hosts a holiday toy drive for the families we serve. With the help of Building Owners and Managers Association (BOMA) and various other organizations and individuals, we are able to give each family a gift for every child in their family.

Each year, we are always in need of more teen gifts for our older clients and their siblings. We love to be able to give our teen clients \$10 gift cards, headphones, make up, clothing, and other age appropriate items.

If you are interested in donating teen gifts to DCAC, please contact Meghan Parman, our Development Associate, at 720-974-7231 or [MParman@DenverCAC.org](mailto:MParman@DenverCAC.org).

## Thank You, CYCUP!

In late November, we had a volunteer group from the Colorado Young Credit Union Professionals (CYCUP) on campus to help us with our holiday decorating! Each year, we decorate our campus for the holidays and this year, we were lucky to have this

awesome group to help us out. We decorated Christmas trees in our forensic interview and therapy houses, hung holiday lights outside on all three houses, and put up some other holiday decor. This group also helped us rake leaves outside and sanitize toys in two of our therapy rooms. It was such a fun morning and it is always a joy to have a group from CYCUP at DCAC.

Thank you again for all your help and your dedication to DCAC, CYCUP!
